GREGGIO
THE ITALIAN SILVER TRADITION

Collezione Dogale

Dai colori **caldi ed intensi**, gli oggetti firmati Dogale non ossidano perché protetti da una speciale vernice, e non necessitano di manutenzione particolare. Ogni singolo pezzo è diverso da un altro, **Unico ed irripetibile** perché rappresentativo di un processo di produzione assolutamente artigianale. Nuances accattivanti, forme particolari e spesso estrose, cura nelle finiture, ed impatto tattile, oltre che visivo davvero sorprendente.

Dogale Collection

Dogale is the perfect marriage of two timeless and luxurious materials: glass and silver, creating one of a kind gift items and decorative pieces. Objects signed by Dogale do not oxidize because they are protected by a special paint, and do not need particular maintenance. Every single piece is different from another. **Unique and unrepeatable** because it is representative of an absolutely handcrafted process. Captivating nuances, peculiar shapes, particular attention in finishes, these collections are based upon the traditions of ancient venetian glass making art with distinctly luminescent colors.
